## CERTIFICATIONS THAT INSPIRE CONFIDENCE

The products in our collection carry a variety of environmental and quality certifications. Here's what they mean:

### ecoecho®

To qualify as ecoecho®, a significant part of the product must live up to at least two of these environmental standards: resource efficiency, renewability, compostability or responsible sourcing.

The OK Compost label, from the certification body TÜV Austria, indicates that the product is suitable for industrial composting and meets the stringent requirements of the European standard EN 13432.

The Forest Stewardship Council® (FSC) certification ensures the product is made of wood from forests managed in an environmentally appropriate, socially beneficial and economically viable manner.

The Nordic Swan Ecolabel identifies the best products on the market from an environmental point of view. For instance, it confirms our stearin candles consist of 90% renewable materials and minimise soot emissions.

The RAL Quality Mark is awarded by the European Quality Association for Candles. It guarantees the candle burns cleanly, contains no hazardous materials, retains its shape and is safe and reliable.

## LOVE TO SURPRISE YOUR GUESTS?

To do even more to achieve the ultimate look and feel of linen – and also act on your feedback – we have improved the rich softness, thickness and visual expression of our Dunilin® napkins.

Now the heavy and absorbent material, the most premium we offer, feels more luxurious in the hand and on the lips. And it does more to capture the eye with its exclusive linen-like embossing. It still folds just as beautifully too.

Even better, now all the Dunilin designs and unicolours are compostable. We have meticulously designed these to deliver a seamless WOW experience and enhance the presentation of food.

HEADS-UP

*"For lunch, I recommend a Dunicel® tête-à-tête with a 40 x 40 1/8-folded Dunisoft® napkin. The tête-à-tête subtly connects guests. The napkin comes pre-folded, saves time on setting-up, and lasts the whole meal."*
